

Position:	Music Tutor
Reporting to:	Artistic Director & Music Director
Pay Rate:	£10-25 per hour (based on experience)
Hours:	Scheduled weekly in line with schools programme during term time and annual projects/events

Overview

The role of the Music Tutor is to teach music in schools and other educational institutions at weekly workshops as part of CultureMix Arts education programme. To support with teaching at weekly sessions for beginners as part of our music academy as required, plus any workshops delivered by CultureMix Arts as part of our wider services, including team building and one off music workshops.

Key Responsibilities

- Work closely with the Senior Leadership Team to ensure the efficient and effective delivery and development of the schools steel pan music education programme and associated activities
- Teach music in line with lesson plans and programme outlines as agreed with/provided by the senior team
- Adhere to CultureMix policies for delivering steel pan workshops and associated activities including enhanced DBS clearance
- Work in the best interests of CultureMix Arts, its partners, clients and schools at all times
- Attend and complete tutor training, safe guarding, health and safety awareness and other training for tutors organised by CultureMix Arts
- Work with lead tutors to deliver an enriched and diverse educational programme through music
- Maintain monitoring and produce evaluation for the music education programme with written reports, data collection in line with GDPR policy and feedback on a weekly basis
- Account for all agreed expenditure including travel and subsistence where applicable
